Today

I see a bright light waiting at the end of the tunnel
And I might die in the dark
But the pain is part of the struggle
I got my demons at my back, but I'm ready to rumble
I found my reason to fight
So this time I am the trouble
I may be knocked back
But I'mma battle on ant rock that
Gonna make it hotter than hell spawn and top that
Push the limits
And if it's a fight, then I'm in it
Finish it as I begin it

Aaj (आज)

I see a bright light waiting at the end of the tunnel
And I might die in the dark
But the pain is part of the struggle
I got my demons at my back, but I'm ready to rumble
I found my reason to fight
So this time I am the trouble
I may be knocked back
But I'mma battle on ant rock that
Gonna make it hotter than hell spawn and top that
Push the limits
And if it's a fight, then I'm in it
Finish it as I begin it

I came here to win it

The way ahead
Is trecherous
Obstacles continue to
Wear me down
But I continue to rise
And march on
You may have laughed before
But now I see you watching in awe

Kaioken!
I will be better than I was back then
Never say never
I was trapped in
Put it all together as I fought
Now I'm smashin'
Fate in the shredder man
I'm all about the passion
And I may fall
But I'll risk it to fly
'Cause I would trade the ground
Just to kiss the sky

Today I rise
The past below me
Facing the sky
As long as
My heart continues to beat

I uproot myself
From a life of unfulfillment
Today I am reborn

My battles in the chaos of every moment
Have not worn me down
Even when fate conspired against me
I did not stop

I came here to win it

जोखिम भरा
था रास्ता
कठिन से कठिन
पथ पे गिरा
पर फिर उठा
फिर बढ़ा
तेरे तानो के संग
अब तू भी
सर झुका

Kaioken!
I will be better than I was back then
Never say never
I was trapped in
Put it all together as I fought
Now I'm smashin'
Fate in the shredder man
I'm all about the passion
And I may fall
But I'll risk it to fly
'Cause I would trade the ground
Just to kiss the sky

चल बढ़े आज
सब भुला के
सर उठा के
जब तक
धड़कनों में रहती है जान

उजड़ के आज
जिल्लतों की
ज़िंदगी से
बढ़ कर
जन्मा हू मै
फिर से आज

I did not bow
My path is uncharted
Yet I remain unfazed
With every step I reaffirm
That this story has just begun
That this story has just begun
That this story has just begun

Crushed up
Like a diamond in the rough
I'm like "What's up?"
"Yeah I'm out here calling the bluff", cause there's
No more doubt it's all in all out
Bring the storm into the drought
Transform into the final form
And knock it out

Kaioken!
I will be better than I was back then
Never say never
I was trapped in
Put it all together as I fought
Now I'm smashin'
Fate in the shredder man
I'm all about the passion
And I may fall
But I'll risk it to fly
'Cause I would trade the ground
Just to kiss the sky

Today I rise
The past below me
Facing the sky
As long as
My heart continues to beat

ऐसी मैच पड़ी हलचल
पल पल पर मैं थका नहीं
जब लड़ पड़े किस्मत
हर पल
मै रुका नही
मै झुका नही
मेरा पथ अज्ञात
फिर भी न खाउ मात
कदम सबूत मजबूत एकदम
यह तो सिर्फ है शुरुआत
यह तो सिर्फ है शुरुआत
यह तो सिर्फ है शुरुआत

Crushed up
Like a diamond in the rough
I'm like "What's up?"
"Yeah I'm out here calling the bluff", cause there's
No more doubt it's all in all out
Bring the storm into the drought
Transform into the final form
And knock it out

Kaioken!
I will be better than I was back then
Never say never

Author's comments:

I can't find the link, I just googled the lyrics and there was a translation shown in brackets. The lyrics on Genius have a slightly different translation.
